WASHIPAPER[®]

Paper takes shape

Natural Rice paper

Our mulberry paper, commonly called rice paper, is a handmade paper made entirely from vegetable fiber.

Resistant, flexible, translucent, acid-free and biodegradable, thanks to its thinness, the paper blends completely with the support, avoiding the formation of the annoying step effect after application.

Within its thickness, the paper contains a minimum percentage of mulberry fibers that create the particular consistency typical of Japanese washi paper.

Buy it in the format of your choice
